

forklift pocket 8 St 260x90x40

order number: STS8-260x90x40-SZ

consisting of:

1x forklift pocket 8 St 260x90x40, bright zinc-plated

4x Countersunk Screw M8x16, bright zinc-plated

4x T-Slot Nut 8 St M8 guiding ridge, bright zinc-plated

m = 1.083g

The forklift pocket 8 St 260x90x40 serves as guide and centring during loading. It prevents both lateral slipping and tilting when lifting with a forklift truck. The forklift shoes enclose the forks on all sides and thus prevent damage to the profile frame. A fastening set designed for profile groove 8 is included in the scope of delivery.
