

Fastening set for Container Profile 8 80x40

Reference: BS-BHP8-80x40

Consists of:

2 Mounting plates 80x40

2 T-slot nuts 8 St 2xM6-76 with guiding ridge

4 Button-head screw M6x16

8 Countersunk screws M5x25, thread forming

Material: St

Surface: galvanized

m = 332.0 g

The fastening set for the container profile 8 80x40 is used to securely fix container profiles to profile frames. The component enables the container profile and the small parts containers to be tilted and aligned ergonomically. This allows access to small parts to be significantly improved. The fastening set is matched to the profile groove 8.
