

Angle bracket Set 8 80 Zn, aluminum  
color painted

Reference: W8-80-ZN-SZ

Consists of:

Angle bracket 8 80 Zn, aluminum color painted

Angle bracket cap 8 80, black

8 Button-head screw M8x18, St, galvanized

8 T-slot nuts 8 St M8, St, galvanized

m = 0.608 kg

The angle bracket 8 80 Zn set enables right-angled, friction-locked and machining-free connections of two series 8 profiles. Angle brackets Zn can be used as additional reinforcement for connections and as a fastening element for a wide range of attachments. The scope of delivery includes both a matching angle bracket cap and a prefabricated fastening set for profile groove 8.
