

C-Rail, Rail Profile Cap Set 8, black

Reference: CS-SCHIP-AK-8

Consists of:

Rail profile cap 8, right

Rail profile cap 8, left

Material: PA-GF

Color: black

m = 15.0 g

The C-rail, rail profile cover cap set 8 is designed to close the end faces of C-rails, rail profiles of series 8. The cover caps provide an improved appearance, help to avoid cuts and prevent the ingress of dirt. The cover caps are easy and quick to fit and deburring of the profile cut surfaces is no longer necessary. For fastening, the protective caps are pressed into the core drillings of the profiles. The geometry of the cover caps ensures a firm hold and secures against twisting.
