

Double-caster D75 swivel, double-brake,
galvanized

Reference: DLR-D75-DFS

Tires TPE, 85 Sh A, grey

Load capacity: 100 kg/caster

Material: Steel sheet housing

Surface: galvanized

m = 496.0 g

Swivel castors are suitable for use on frames, tables and transport trolleys. They are characterized by good unwinding behavior and a high load-bearing capacity. The tread made of TPE is resistant to most environmental influences. For easier mounting, additional orderable foot plates in different sizes are offered.
