

Cover- and double-lip seal 8, grey (2 meters)

Reference: AEP8-G-S2

Material: PP

Color: light grey similar to RAL 7035

c = 4.0 - 5.5 mm

Length: 2000 mm

m = 26.0 g/m

The cover- and-double-lid profile is suitable for closing the profile groove against dirt and as an edging profile for securely holding panel elements. Different colors are offered, which can be used for design as well as for upgrading the construction.
