

Foot cap 8 40x40 light, black

Reference: FAK8-40x40-L

Material: PA-GF

Color: black

m = 6.0 g

For front-side cover of profile 8 40x40 light. The core hole for insertion of an adjustable foot max. size M10 is used for this. The foot cap clamps independently into the outer cavities of the profile 8 40x40 light. Covering the profile edge reduces the risk of injury in the foot area of tables or shelves.
