

Cross cable tie block 8 with Velcro tape,
black

Reference: KKB-8-KB

Consists of:

Cable ties, PA-GF

Velcro tape, polypropylene

Color: black

m = 5.5 g

The cross cable tie block 8 with velcro tape is used for easy and safe mounting of cables and hoses. The cross cable tie block is inserted into the profile groove 8 without an additional fastening element and locked in place with a 90° turn. Die eingesetzten Klettbander sind 200 mm lang und können jederzeit geöffnet und erneut verschlossen werden. Hoses up to a maximum diameter of 40.0 mm can be attached.
