

Conduit profile U 30x30 (cut)

Reference: KP-U-30x30-E-Z

Material: Aluminium, EN AW 6063 T66

Surface: anodized, A6, C0

Color: natural color

A = 1.12 cm²

Cut max.: 3000 mm

Saw Cut Type B

m = 0.30 kg/m

Conduit profiles of the E variant are suitable for the construction of installation ducts for laying cables and hoses. The U-shaped aluminum profiles have fixed side walls. Furthermore, they have a high inherent stability and offer a visually appealing design. Mounting a cover profile creates two screw channels for fixing and attaching trunking cover caps. By using a suitable cover cap, the associated lid profiles of variant E are secured against accidental opening.
