DATA SHEET

Conduit profile U 30x30 (3 meters)

Reference: KP-U-30x30-E-S3

Material: Aluminum, EN AW 6063 T66

Surface: anodized, A6, C0

Telefon: +49 84 63 603 63-0

Fax: +49 84 63 603 63-11

Color: natural color

 $A = 1.12 \text{ cm}^2$

Length: 3000 mmm = 0.3 kg/m

Conduit profiles of the E variant are suitable for the construction of installation ducts for laying cables and hoses. The U-shaped aluminum profiles have fixed side walls. Furthermore, they have a high inherent stability and offer a visually appealing design. Mounting a cover profile creates two screw channels for fixing and attaching trunking cover caps. By using a suitable cover cap, the associated lid profiles of variant E are secured against accidental opening.
