

Angle Bracket 40 AL, plain set

Order number: W8-40-AL-B-SZ

Angle bracket 8 36x36x38 Al
(with fixing for T-slot 8)

Angle bracket 40 AL, plain

2 button-head screw M8x16 with flange, galvanized

2 T-slot nut 8 St M8 guiding ridge, galvanized

m = 70.5 g

The angle bracket 8 40 AL enables a force-locked connection without processing. The angle AL can be used as additional reinforcement of connections and as a fastening element for various attachments. The angle has integrated anti-twist devices for fixing in the slot, which can be removed if necessary. The component is suitable for light and medium loads. The scope of supply includes the mounting kit. If necessary, an angle cover cap can be mounted. This can be ordered separately.
