

Roller Conveyor St, Fastening Bracket D30 with Stop H43

Reference: RB-ST-D30-AN-H43

Consists of:

Castor conveyor St fixture D30 with stop H43,
St, galvanized

5 Button-head screws self-drilling DIN 7504
3,9x16, St, galvanized

m = 172.0 g

The roller conveyor St fastening bracket D30 with stop offers the possibility to mount roller conveyors St D30 at any angle on racks made of profile tubes D30. This variant also works as suspension and stop $H = 43$ mm at the same time. With the help of the stop, transport goods or workpiece containers are stopped automatically at the end of the conveyor line. The bracket can be fixed and secured with drilling screws included in the scope of delivery.
