

Hinge 8 Al FP4 light

Reference: SCH8-AL-FP4

Consists of:

2 Hinge halves for hinge 8 Al FP4 light, natural anodized

2 Caps, PA-GF, grey

Bolt set D6

T-slot nut NS8-M6-with guiding ridge, St, galvanized

Countersunk screw M6x14, St, galvanized
m = 81.0 g

The hinge 8 Al FP4 light is suitable for swing doors and flaps with medium loads. The FP4 version is used as a top-mounted hinge. This variant makes it possible to connect frameless panel elements directly to the hinge. The scope of delivery includes a hinge bolt and the necessary fixing material.
