Material: GD-Zn

Surface: powder coated

Telefon: +49 84 63 603 63-0

Fax: +49 84 63 603 63-11

Color: black m = 222.0 g

Feet clamp are designed in particular for fixing feet to the floor and for fixing them in place. Frames and tables can thus be secured against slipping. For assembly the clamping brackets can be positioned as required. They can be attached to the floor using floor-fastening sets that can be ordered separately.
