

Castor D100 swivel, double-brake

Reference: LR-D100-DFS

Tires TPE, 90 Sh A, anthracite

Load capacity: 90 kg/castor

Material: Steel sheet housing

Surface: powder coated

Color: jet black RAL 9005

m = 722.0 g

Swivel castors are suitable for use on frames, tables and transport trolleys. They are characterized by good unwinding behavior and a high load-bearing capacity. The tread made of TPE is resistant to most environmental influences. For easier mounting, additional orderable foot plates in different sizes are offered.
