DATA SHEET

Castor D125 swivel, black

Reference: LR-D125

Tires TPE, 90 Sh A, anthracite Load capacity: 100 kg/castor Material: Steel sheet housing Surface: powder coated Color: jet black RAL 9005 m = 680.0 g

Swivel castors are suitable for use on frames, tables and transport trolleys. They are characterized by good unwinding behavior and a high load-bearing capacity. The tread made of TPE is resistant to most environmental influences. For easier mounting, additional orderable foot plates in different sizes are offered.
