Tires TPE, 90 Sh A, anthracite

Load capacity: 100 kg/castor

Material: Steel sheet housing

Surface: powder coated

Color: jet black RAL 9005

m = 786 g

Swivel castors are suitable for use on frames, tables and transport trolleys. They are characterized by good unwinding behavior and a high load-bearing capacity. The tread made of TPE is resistant to most environmental influences. For easier mounting, additional orderable foot plates in different sizes are offered.
