Reference: NS5-M5-STEG

Telefon: +49 84 63 603 63-0

Fax: +49 84 63 603 63-11

Material: St

Surface: galvanized

m = 1.8 g

T-slot nuts St with guiding ridge for fastening medium-heavy components. The T-slot nuts can be swiveled into the profile groove in any position. The T-slot nut is fixed by a spring-loaded ball. The attached guiding ridge prevents the T-slot nuts from twisting in the profile groove.
