

Cap set for system handle 8 Al, black

Reference: AK-SYG-8

Consists of:

2 Caps

Material: PA, glass bead reinforced

Color: black

m = 20.3 g

The cap set for the system handle 8 Al, black, covers the fixing screws of the handle. The caps provide an improved appearance of the handle and are snapped after mounting. They also help to avoid cuts and prevents the ingress of dirt.
