

## Hinge 6 30 Zn 6/8

Reference: SCH30-ZN-6/8

Consists of:

Hinge, GD-Zn, black, powder coated

Anti-twist lock 6, GD-Zn, black

Anti-twist lock 8, GD-Zn, black

Countersunk screw DIN 7991-M5x14, St, black

Countersunk screw DIN 7991-M5x16, St, black

Load:  $F_{\max} = 300 \text{ N}$

$m = 66.5 \text{ g}$

Hinges Zn are universal hinges for flaps and doors with higher loads. Furthermore, profiles can also be connected at any angle. Integrated, asymmetrical anti-twist locks for additional fixing in the groove are attached. These can optionally be removed. The hinge has a swivel range of up to 180°.
